Product Description

Abu Garcia REVO LTX BF8 Perch Bass Bait Casting Fishing Reel 8.0:1 9+1BB 129g

INTRODUCTION:

The REVO LTX BF8 is a baitcasting reel designed for precision casting and smooth retrieves. Some of its key features may include:

Gear Ratio: "BF8" in the model name might indicate a specific gear ratio (e.g., 8:1), which refers to how many times the spool rotates with each complete turn of the reel handle. Higher gear ratios result in faster retrieval rates.

Low Profile Design: The REVO LTX BF8 is likely a low-profile baitcasting reel, which makes it more ergonomic and comfortable to handle during extended fishing sessions.

Advanced Materials: The reel might incorporate advanced materials in its construction, such as lightweight yet durable components, to enhance performance and reduce fatigue.

Brake System: It could come equipped with an advanced brake system (e.g., magnetic or centrifugal) that helps prevent backlash and allows for precise casting control.

Bearings: High-quality bearings can contribute to smooth and reliable operation during casting and retrieving.

Drag System: A high-quality drag system is crucial for handling big fish and preventing line breakage.

Line Capacity: The reel should have adequate line capacity for different fishing situations.

Position	Abu REVO LTX BF8 Fishing Reel
Ball Bearing	10
Gear Ratio	8.0:1
Brake Force	5.5 KG
Weight	125g
